Dear Opava school and kindergarten.

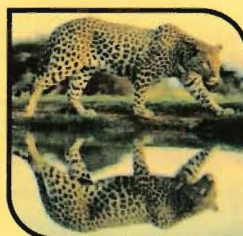

It's blessing to have you in my life. Hope you and family are doing well. Am so grateful for the support that you extened to me. With your support am attaining aquality education.

School is taking on well and am looking foreward to sitting for my Uganda Certificate of education exams. I pray to do well and be able to join advanced level in education.

Our teachers are doing their best to see that we pass. During the long holiday. I hope to visit my uncle in Jinja. He is a mechanic and I hope
