Dear Opava, school and Kindergarten.

This is a wonderful time for me to write to you before the end of the year. How are you my dear friends. Am glad to extend alot of love and appreciation from my family and friends. Thank you for the generous heart dear. Am doing well at school and happy. I feel much joy for I will be joining s.4 next year. My dear pray for me for the midterm III exams are done and my performance was fair. I put in more efforts to excel since s.4 will again make the end of my ordinary level. During my long december holiday I will travel -

Elephants of Queen Elizabeth N.P

Leopards of Queen Elizabeth N.P

Antelopes of Lake Mburo N.P

Lions in Queen Elizabeth N.P

to my uncle's place. It's distant so i will still  
use taxis for about 3 hours to get there. I have  
ever before and we always have fun. I pray you too  
have a happy time my dear. May God bless you all the  
time and may the true meaning of christmas reflect  
in your hearts and family. Bye bye dear.
